

MINAGIE ENERGY

Empowering Communities with Wind Energy

MINAGIE ENERGY

Impact of Winning 2nd place at ACIC 2023

Recognition and Funding:

- **Prize Money:** Financial grant supported the development and implementation of our innovative energy solutions.
- **Reputation Boost:** Being recognized as a top innovator in climate solutions has elevated Minagie Energy's profile within the industry and among potential investors and partners.

Skill Development:

- **Tailored Curriculum:** We gained access to specialized training programs that enhanced our technical and business skills, focusing on areas like renewable energy technologies, sustainability practices, and market strategies.
- **Expert Mentorship:** Mentors from the climate and energy sectors provided valuable insights and guidance, helping us refine our business model and strategies.
